

ADRIAN MARCH

2015 POLICIES

I found an image I like and I think the colors will work but I'm not sure.

For \$10 I will mail you a letter-sized version (unsigned with copyright watermark) that you can hold up to your wall or place against your bed or sofa so you will know for sure.

I want it to match or closely harmonize with my paint color.

There are a few ways we can go about this. Many of the colors I use are inspired by Farrow & Ball. Sometimes close is more exciting than exact. Colors change in different lighting too, so consider the time of day you are likely to be spending the most time in the room and which direction the window faces. Make sure the colors you specify are the ones you really want.

- Tell me what color and brand of paint you are using. And ...
- Ask your paint dealer for the corresponding Pantone color. Or ...
- Paint a letter-sized white surface with two coats and mail it to me.

I love them all. How do I decide which one to buy?

My images are meant to instill, with every glance, profound sensations of calm or vitality. So ... when you look at it, how does it make you feel? Now, what is it about this one that resonates with you — is it the colors? the textures? the eyes? Back to the bottom line: how do you feel when you look at it?

How do I buy it?

Images are printed to order. I require 1/3 down and at least two weeks to produce. The balance is due before it ships.

I prefer payment by check, but credit/debit cards can be accommodated too.

I want you to be thrilled with your purchase. Artwork is intended to enhance your life. It can serve as a reminder. Of what you value most. Of endless possibilities. Place it lovingly.

It is also an investment, so a Certificate of Authenticity is included.

Your artwork will be professionally packaged and is expected to arrive in good condition. If it doesn't, please notify me immediately and keep the packaging for carrier inspection.
